

SECTION 609 CERTIFICATION FOR REFRIGERANT RECYCLING AND RECOVERY

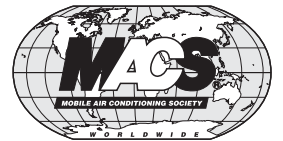

**\$15
per test**

Technicians opening the refrigeration circuit in automotive air conditioning systems are required to be certified in refrigerant recovery and recycling in compliance with Section 609 of the Clean Air Act Amendments of 1990. The MACS certification program is approved by the U.S. EPA under this act. Wisconsin has additional certification requirements.

Then, Take the NEXT Step and Stay Educated and Informed, Become a MACS Member!

To order the study manual and test:
Visit www.macsw.org

You have two options via the Internet. You can order the test and take it online, or order the test online to be sent to you in the mail. The study manual can also be downloaded from the site.

Call or Fax Phone: (215) 631-7020
Fax: (215) 631-7017

Call in your order, or fax it with your credit card number.

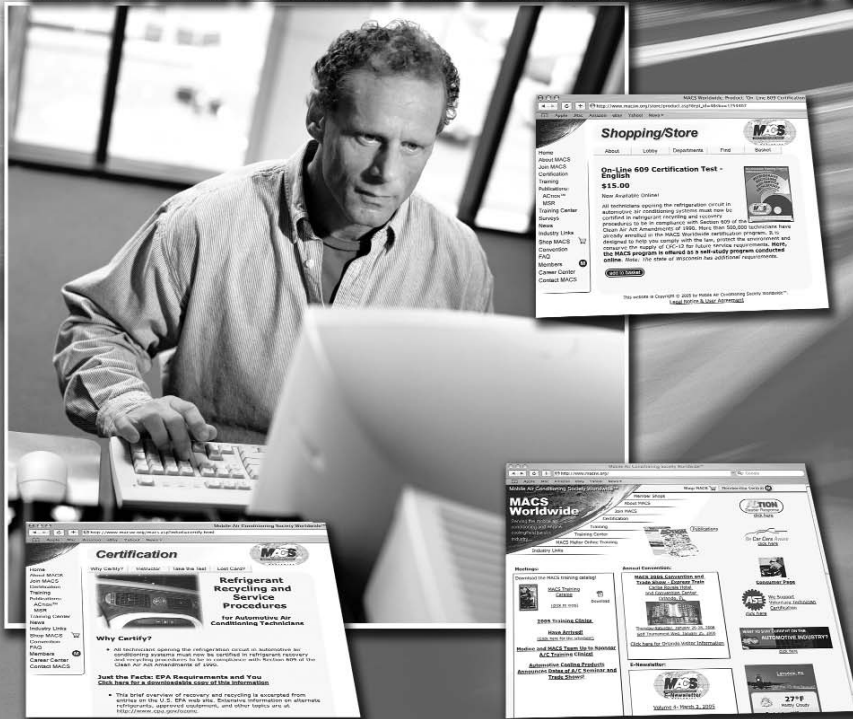

Mail Send this form to P.O. Box 88, Lansdale, PA 19446
with credit card information or a check/money order.
