■ **RTI Five-year limited warranty:**

**(Through 1999)**

**Two years parts and labor**

After the end of the second year, with proof of annual replacement of filters, a \$200 deductible goes into effect on labor and transportation for a factory repair.

A \$300 deductible for repairs done by a Service Center

All parts are free for the full Five years.

In the third, fourth and fifth years a vacuum pump must be returned at the customer's expense to deem if the pump has a warranted failure due to defects in material or workmanship.

■ **RTI Five-year limited warranty:**

**(After 2000)**

**Two years parts and labor**

The same as above, **except NO DEDUCTIBLE**. Free parts only

**Please send verification of annual filter change.**

**Please sign, assuming labor charges on the repair of your unit.**
